

August 26, 2014

- Dear Lake Travis Community Member:

“Every heart, every mind, every day.” This is the motto of the Lake Travis school district. We know you share the belief that enabling our youth to participate in a sport they are passionate about goes a long way toward their success in school, and later on in the real world. This is what Lake Travis Tennis brings to our community – a way for students to feel connected to the school and to develop self-confidence at a critical stage of their development.

The Lake Travis Cavalier tennis team is an outstanding group of boys and girls who are dedicated to their sport and adhere to the highest standards of behavior on and off the court. They represent their school and community with pride and sportsmanship. The team competes in dual matches and tournaments across the state, and has achieved considerable success over the past several years. This past year the team moved up to 6A and proved that we are State contenders, finishing the season ranked in the top 10 in the state. We defeated Austin Westlake in team tennis to win the district championship and went on to the semifinals of the regional tournament. In spring tennis, our boys’ doubles won LT’s 10th straight district title and our Girl’s Doubles Team made it to the state semi-finals.

In light of the continuing state budget cuts, fundraising is more critical than ever to maintain the standards of operation required for a quality tennis program. Money raised funds basic court repairs, travel, benches and other training aides. This all helps us remain relevant and competitive along with providing a top-notch public tennis facility for our community.

Each year, in order to facilitate our efforts, the tennis booster club runs a fundraiser and reaches out to businesses in our community to serve as sponsors. Our fundraiser will be tennis-a-thon accompanied by a silent auction. We will also be looking for sponsors to invest in banners to be put up at our facility for a year or two years (depending on the level of sponsorship).

We would like to invite you to become a part of the LTHS Tennis family by supporting this event. Your generous donation, be it as a banner sponsor, donation of services, products, or gift cards for the silent auction, will help us keep our program going and allow us to keep the courts and tennis facility in top shape for the team and our surrounding community. Thank you for your generosity.

Sincerely,

Lake Travis Booster Club
